

New Pathways to Gold

Jobs Creation Partnership (JCP) Project Backgrounder

Project Overview

Thanks to a \$400,000 partnership with the Ministry of Social Development and Social Innovation's Community and Employer Partnerships Branch, five EI-eligible job-seekers will gain valuable work experience and skills training while creating new amenities for the Cariboo region's heritage and recreational sites and in First Nations communities.

Project Partners

Canim Lake First Nation (Tsq'escenemc)

Gold Rush Snowmobile Trail Regional Management Committee
